2026 Sponsorship Levels

Wake Monarch Academy's Annual Recovery Golf Classic is attended by nearly 150 individuals at the beautiful Lonnie Poole Golf Course, the only collegiate golf course in the world designed by the legendary Arnold Palmer.

All proceeds raised from this tournament go directly to support the mission of Wake Monarch Academy, the Triangle's only recovery high school. Your participation directly supports our students, providing adolescents in recovery from substance use disorder with a safe, sober environment, an excellent education, and the wraparound support and recovery resources they need to thrive.
